Ronald W. Hawker

Yakuglas' Legacy *The Art and Times of Charlie James*

UNIVERSITY OF TORONTO PRESS

Charlie James, also known by his ceremonial name Yakuglas, was a premier carver, painter, and activist from the Kwakwaka'wakw First Nation of British Columbia. *Yakuglas' Legacy*, a beautiful and poignant book with 123 colour illustrations, examines the life and art of Charlie James.

"Ronald Hawker's endeavour to explore the material objects—the pieces in the collections—and then make relevant, illuminating connections with broader social, political, and economic events is an excellent model for future researchers."—Cara Krmptich, Faculty of Information, University of Toronto

Back from the Brink *Lessons from the Canadian Asset-Backed Commercial Paper Crisis*

UNIVERSITY OF TORONTO PRESS

Back from the Brink goes behind the scenes of the asset-backed commercial paper (ABCP) crisis to examine how a solution was reached and lessons learned that could prevent or mitigate future crises. The authors describe the roles played by the banks, major investors, rating agencies, and financial regulators in the crisis's origins and conclusions. *Back from the Brink* holds important lessons for anyone interested in Canadian law, the future of complex investments, and Canada's capital markets.

"*Back from the Brink* is a must read book for all who are interested in understanding how the Canadian financial system functions in a time of stress."—David Dodge, Senior Advisor, Bennett Jones LLP and former Governor of the Bank of Canada

Graham Lowe and
Frank Graves

Redesigning Work *A Blueprint for Canada's Future Well-Being and Prosperity*

UNIVERSITY OF TORONTO PRESS

Graham Lowe and Frank Graves are two of Canada's leading experts on work and public opinion. In *Redesigning Work*, the authors provide a blueprint for the future of work in Canada by identifying practical ways to make work more motivating, rewarding, and productive. The authors provide fuel for employers, workers, policy makers, HR professionals, and NGOs to combat the negative trends many Canadians associate with their future economic prospects. The book paints an optimistic picture of the future of work by addressing job stress, work-life balance, skill use, and engagement.

"*Redesigning Work* is a data-rich analysis of the state of Canada's workers and their job market... This is an important book for employers, workers and policy-makers alike."—Honourable John P. Manley, President, Business Council of Canada
